

Sprint 4

Protocol

User stories

2 finished user stories
5/6 finished acceptance
criterias

Beginning:

This screenshot shows a Jira sprint board titled "Current sprint (12/13)". It contains four user story cards, each with a colored header bar and a progress bar. The first card, "Search (1/2) (difficulty: 5.7)", has an orange header and a progress bar that is 1/2 full. The second card, "Logout (2/2) (difficulty: 2)", has a purple header and a progress bar that is 2/2 full. The third card, "Advanced post (6/6) (difficulty: 5.3)", has a green header and a progress bar that is 4/6 full. The fourth card, "Post tags (3/3) (difficulty: 6.3)", has a blue header and a progress bar that is 1/3 full. Each card shows the number of acceptance criteria completed out of the total, and the names of the team members assigned to the story. At the bottom, there is a button to "Add another card".

Current sprint (12/13)

Search (1/2) (difficulty: 5.7)

Logout (2/2) (difficulty: 2)

Advanced post (6/6) (difficulty: 5.3)

Post tags (3/3) (difficulty: 6.3)

+ Add another card

End:

This screenshot shows the same Jira sprint board at the end of the sprint. The title is now "Current sprint (12/13 (-1))". The progress bars and acceptance criteria counts have been updated. The "Search" card is now 1/2 complete. The "Logout" card is now 2/2 complete. The "Advanced post" card is now 4/5 complete. The "Post tags" card is now 3/3 complete. The team member names remain the same. At the bottom, there is a button to "Add another card".

Current sprint (12/13 (-1))

Search (1/2) (difficulty: 5.7)

Logout (2/2) (difficulty: 2)

Advanced post (5/5) (difficulty: 5.3)

Post tags (3/3) (difficulty: 6.3)

+ Add another card

1. Search

Description

As a user, I would like to be able to search for specific items without having to browse through multiple things if I already know exactly what I want or need.

Acceptance criterias

- Search bar

Acceptance criterias, not included in this sprint:

- Responsive and correct results

2. Logout

Description

As a user, I would like to be able to logout, to ensure no one else can use my computer to make posts in my name.

Acceptance criterias:

- Is there a logout button visible to the user?
- Does pressing the logout button leave no user logged in?

3. Advanced post

Description

As a user, I want to be able to include more information about myself and the item I'm sharing.

Acceptance criterias:

- Include an image of the food item - not finished

Previously finished acceptance criterias:

- Include my number so I am reachable
- Include my address (and apartment number)
- Ability to indicate when I have received a positive reply
- Tag the post as Donation or Seeking post

Comment: We decided to change the acceptance criteria "Specify time when I'm available" and instead include a picture of the item in the post.

4. Post tags

Description

As a user, I would like to be able to add tags to my posts, to ensure other's more easily can search for posts like mine, and to sort them by category/tag.

Acceptance criterias:

- Is it possible to add one or multiple tags to my post?
- Are the tags displayed on the board, connected to my post?

Previously finished acceptance criterias:

- Are tags read from a file?
